

# SILK OAK

## Winery Profile

Oak Ridge Winery is Lodi's oldest operating winery. The vineyards are ideally situated between the Sierra Nevada foothills and the San Francisco Bay Delta. Warm days and cool evening breezes create a uniquely Mediterranean climate perfectly suited to cultivating California's top varietals. While all these grapes thrive here, Zinfandel is a singular phenomenon. Vines, some over 120 years old, produce small yields of intensely flavored fruit to create wines that are the ultimate expression of the terroir.

## VARIETALS

The Silk Oak label presents wines that are true to the varietals' fresh fruit character with the added textures and wood tones derived from French and American oak cooperages.

Silk Oak also introduces the uniquely flavored Viognier and Petite Sirah varietals to the Lodi family.

**Old Vine Zinfandel**  
**Cabernet Sauvignon**

**Chardonnay**

**Merlot**

**Petite Sirah**

**Viognier**
