This powerful expression of Cabernet Sauvignon opens with thick layers of spice and toasted oak that surround a juicy core of cherry and wild berry. You'll also get chocolate and rhubarb. The wine is thick and succulent in the mouth. Pair it with wintery beef dishes.

Colli Senesi—DOCG

**BEST BUY**

**87**  
POINTS

There's firm concentration to this sangiovese, with fleshy cherry and cherry tomato flavors balanced by mouthwatering acidity. It's spicy and clean, lasting with a hint of rose. For orecchiette with port sugo.

**ROCCH COSTAMAGNA**  
**MURRAE 2007**

**87**  
POINTS

This is a very pleasant Dolcetto with measured aromas of blueberry, raspberry, cherry cola, plum and fresh prune. It tastes soft and slightly sweet in the mouth with fresh acidity that would work well with cheese or cream based dishes.
