

# SORTILÈGE

The maple and whiskey liqueur from Canada!

30% ABV

Sortilege is a unique blend of Canadian Whiskey and maple syrup. The result of these two unique flavors is an unusual delicate tasting liqueur, reminiscent of the flavor of maple toffee.

This amber colored liqueur's aroma is more maple than whiskey; exposure to the air brings out a mildly pleasant fragrance of butterscotch; by the fourth pass, the sweetness of the maple departs leaving behind a caramel corn and hard maple candy. The finish in the mouth is sweet, caramel-like and medium long.

Try Café Sortilege—pour hot coffee in a tall glass with a stem, add Sortilege; top with whipped cream.

Sugar Shack Delight—pour Sortilege in a short glass filled with crushed ice. Stir and sip with a straw.
