

INDOMITA

Gran Reserva

The Reserva wines are produced with some of the best handpicked grapes coming from select vineyards in the Maipo and Casablanca valleys. Indomita Gran Reserva wines are very elegant and distinctive. These wines are matured in oak barrels for 8 up to 12 months.

Cabernet Sauvignon

Chile is well known for outstanding Cabernet Sauvignon. This is a perfect example of the best Chile has to offer. A symphony of flavors and aromas that blend into a perfectly balanced, flavorful well rounded red wine. Tannins and fruits combine to create a soft and harmonious wine.

Carmeneré

A dark red wine with violet tints and aromas of wild black berries, black currants, blueberries and truffles. Carmeneré's herbal and spiced personality is tempered by soft and pleasant flavors to create a flavorful and fleshy wine.

Chardonnay

This wine has a bright golden color with aromas of creamy tropical fruits. Made from hand-picked 100% chardonnay grapes from the Casablanca Valley, the wine benefits from the proximity to the Pacific Ocean and the Andes Mountains. Pleasant, full and drinkable, this wine offers a great price quality ratio.

INDOMITA

Gran Reserva

Pinot Noir

Made from hand-picked grapes from the Casablanca Valley this wine has aromas of flowers, berries and tobacco. Harmonious and smooth on the palate this grape is perfectly suited for the micro climate in this valley. It offers outstanding value for a world class grape variety.

Sauvignon Blanc

The Casablanca Valley is best known for the wonderful Sauvignon Blanc that is produced there. This wine has an aroma that hints of jasmine and orange leaves along with green apples and fresh grass. On the palate it is alive yet smooth and balanced with a vibrant concert of delicious ripe fruit flavors.
