

VALDIVIESO

Single Vineyard Wines

The wines of the Single Vineyard range come from unique vineyards that combine ideal climate and soil conditions with careful management to obtain low yields and outstanding quality. After the fermentation, these wines are aged for at least 12 months in French and American oak barrels.

Cabernet Franc Single Vineyard

Intense red color with red violet reflections. Cherry, raspberry, plum, black chocolate and vanilla aromas with hints of sweet spices and a slight peppery character; this wine fills the palate with sweet tannins, delivering all the flavors which the aromas promised. Serve with red meat.

Cabernet Sauvignon Single Vineyard

Dark intense red color. Bouquet and aroma very typical to the Maipo Valley. Fruit and oak well integrated. Aromas of ripe blackberries, hints of mint with subtle spices of vanilla, cinnamon and coffee. Enters the palate with sweet fruit, and then fills it with a silky tannin structure which gives body and length to the wine. Serve with red meats and rich dishes.

Malbec Single Vineyard

Intense red ruby color with violet reflections. Cocoa, vanilla, coffee, black cherry, black berry aromas and subtle floral notes. Full-bodied in the mouth. Fruity and impressive by its volume. Acid balance gives a great structure and holds the soft yet firm tannins. Serve with roast lamb.

VALDIVIESO

Signature Wines

Great wines must be able to arise the senses of those in front of the glass. Valdivieso looks forward to achieving this goal, and our signature wines are the best example of this philosophy.

Caballo Loco

Intense, dark red color; sweet, spice aromas combine with ripe fruit, coffee, cinnamon, nutmeg, cherries, vanilla, cedar and tobacco; soft and voluptuous first impressions with sweet spice flavors and ripe tannins. Full and round in the mouth with ripe berries, cherry and smoky notes. Long and pleasant finish with sweet oak.

A wine of a great intensity, complexity and finesse.

Éclat

Dark intense red, with distinct violet notes towards the edges; complex aromas, sweet earthy characters, with attractive floral notes in the background. A well structured wine, being full bodied and very flavorsome. This is a wine which looks to show the potential of varieties other than the typical. The old vine Carignan, blended with its natural Rhone partner, Syrah, produces an outstanding wine with distinct style and character.
