

VALDIVIESO

Reserva Wines

The wines of the Reserva range combine the characteristics of different low yield and high quality vineyards to attain a broad expression of each grape variety. After the fermentation, these wines are aged in French and American oak barrels for different periods to reach the proper balance for each grape variety and the style.

Cabernet Sauvignon Reserva

Dark intense red color. Intense and ripe aromas of cassis, red fruits, hints of menthol and well integrated oak spices. Full bodied with an excellent structure and flavor profile. A wine with a lot of character demonstrating the best of Chilean Cabernets. Serve with lasagna, red meat, spicy food and cheese. (13.5%)

Chardonnay Reserva

Pale yellow peach color with an attractive green yellow tone. Intense ripe fruit aromas with pineapples, lemon rind and grapefruit. Lively crisp and refreshing acidity with citric flavors. Full bodied with a long sweet finish. Serve with chicken and creamy sauces, salmon and summer buffet. (13.5%)

Merlot Reserva

Dark intense red color - typical character of the Chilean Merlot with aromas of plums, red fruits, notes of chocolate, and a slight sweet spiced character. A flavorsome appealing wine with good structure, balance and a long and complex finish. Serve with rich pastas or veal. (13.5%)

VALDIVIESO

Carmenera Reserva

This Carmenera has been crafted to show the characters of this unique variety, which has caught the world's attention.

Dark intense red to purple color. Rich dark cherry, chassis and dark chocolate. Classic Carmenera profile, full bodied sweet supple tannins and very flavorsome. Chile provides the ideal conditions to achieve this. (13.5%)

Pinot Noir Reserva

Intense vibrant color with red reflections. Aromas bear witness to blackberries, strawberries and slightly sweet spices. Full bodied and flavored, round and smooth in the palate with a long and flavorful finish. It is a very elegant and intense reserve wine with notes of blueberry. A round and powerful wine with great tannins. Serve with rabbit, duck, white meat, salmon and ripe cheese. (13.5%)

Sauvignon Blanc Reserva

Attractive brilliant color, with pale green tones. Intense Sauvignon Blanc aromas, white tropical fruits and guavas with underlying typical grassy aromas. On the palate very flavorsome, good fruit weight, and a crisp acidity which balances perfectly the ripe fruit flavors. (13.5%)
