## CABERNET SAUVIGNON SELECTI

This wine is created from cabernet sauvignon grapes grown in the Lisson Pramaggiore zone of the winery's vineyards. It has a wonderful deep, intense red hue which blossoms into a heady, rich bouquet with the spiciness of oak, the aroma of vanilla and the pungent scent of leather. On tasting, one is enveloped in its full, harmonious flavor with warm cherry and plum overtones and velvety touch of tannin. It is a wine for connoisseurs who are sure to appreciate this new "offspring" of the Molelto winery. (Alc. By Vol. 14.5%)

## MALBECH

This ruby red wine has a pleasant bouquet with a dry, agreeable, good body and harmonious taste.

Serve with rich stews, grilled white meats and poultry. (Alc. By Vol. 13%)

## MERLOT

The intensity of varietal characters, color and extracts obtained from the merlot grapes grown on the estate makes a vibrant and robust Merlot. After aging, the wine becomes rounded and soft. This wine is good upon release but should improve up to three years of age. (Alc. By vol. 13%)

## PINOT GRIGIO

This straw colored wine has set the standard for the line for the past two decades. It is a perfectly balanced crisp and fruity white wine.

You will find it difficult to find a better Pinot Grigio although you will find many that are more expensive. (Alc. By Vol. 12%)

## COLMELLO ROSSO

This wine is made mainly from selected—Merlot and Franconia grapes combined with Malbec and Cabernet Franc and Raboso grapes varying in proportion from year to year.

This wine is then aged in French oak barrels to add complexity and flavor. The wine is an intense ruby red color, full bodied, very big and supple. It will continue to improve with age. Winemaker Giovanni has made this wine his "capo lavoro" - his masterpiece. (Alc. By Vol. 13%)
